GENERAL CONDITIONS

Tenders should be superscribed "Tender for paper," and should be accompanied by a deposit of one per cent on the value of the tender. This deposit should be paid into the Bank of Madras and its receipt attached to the tender. In cases where tenders may deposit Government Promissory notes, they should endorse the same payable to the "Collector and Superintendent of Stationery, Madras."

2. Tenderers should send five sheets of each description of paper tendered as a sample, marking clearly thereon the manufacturer's name and the description, size and weight. They should be flat, not folded.

3. The papers should be delivered at the Stationery Office, Beach, Madras, at the cost and risk of the contractor.

4. The successful tenderer or tenderers will be required to pay a security of 10 per cent. on the value of the paper for which the tender is accepted and to sign a contract bond (a form of which will be furnished by this office for inspection) within twenty days from the date of his being informed by this office of the acceptance of his tender; and, in case of failure, his deposit delivered with the tender will be forfeited and credited to Government and his tender considered as cancelled.

5. The necessary stamp duty on the contract bond must be paid by the contractors.

6. The quantities specified in the above schedule are only probable requirements; actual demands will be mentioned in the orders given from time to time, agreeably to which contractors will be required to supply the articles.

7. Blotting-paper should be packed and supplied in tin-lined dealwood cases. Other papers should be well packed in strong canvas with bale planks and iron hoops. They should be packed quite flat and each quire in a ream packet should be distinctly marked or separated by a slip of coloured paper, each ream being tied with string. All bales of each description and size of paper should contain a uniform number of reams. Each ream of printing, cartridge and badami paper should contain 500 sheets. Each bale should be superscribed with the description and size of paper and the number of reams it contains.

8. All consignments of paper will be examined after arrival at Madras, and will be liable to rejection if inferior in any respect to the accepted sample. The decision of the Superintendent of Stationery in this matter is final; recourse to arbitration cannot be permitted.

9. All papers must be free from any mixture of mechanical wood pulp.

10. In cases of necessity, the contractors must undertake to store the consignments in their own godowns for a period not exceeding three months at their risk and free of charge.

11. In the event of a consignment being rejected, the contractors will be required to remove it at once, and replace it within a month from the date of intimation of rejection.

12. Considerations of the quality of the paper tendered and of its price will alone guide the Superintendent in his decisions, but he reserves to himself the right, without assigning any reason, of rejecting any tender in whole or in part, and in respect of articles, rates, quantities or other particulars, etc.

13. Forms of tender and any further information can be obtained on application to the Superintendent of Stationery, Madras.

A. G. CARDEW,

Acting Superintendent of Stationery.
